

Economic Development 101

Economic Development centres around attracting and retaining jobs, growing St. Albert's tax base, boosting the wealth of St. Albert, and equipping companies and individuals with the resources they need to succeed. It's all about maximizing St. Albert's potential!

BUSINESS RETENTION & EXPANSION

- Assess & understand the needs of local businesses to support their growth
- Champion local businesses
- Improve competitiveness through development programs
- Sow the entrepreneurial spirit
- Assist with exporting, market development, and more

INVESTMENT ATTRACTION

- Market St. Albert as Alberta's best, mid-sized city for investment
- Attract diverse businesses, identify their needs and find the right locations
- Identify new business trends and sectors and showcase our unique advantages
- Connect you to the right resources and people to bring your business to St. Albert

WORKFORCE DEVELOPMENT

- Strengthen the local talent pool
- Act on labour market trends and information
- Connect skilled workers and employers through job fairs
- Source resources to training and programs for sector growth

BUSINESS LICENSING

- Offer easy applications or renewals online at stalbert.ca.
- Receive business exposure through St. Albert Business Directory
- Turnaround time: approx. 1-2 business days, when permits are not required.

St. Albert has the Fastest Permitting Times in the Edmonton Region

Average of 4.7 days for all permit types

WE ARE HERE FOR YOU!

- Advocate on your behalf
- Navigate you through processes
