	BK003	Put up new speed reader boards and to work with Police on targeted speed enforcement	Short	Pending / Future
	BK004	Repaint crosswalk on Larose between Longview and Laydon	1st Priority	Complete
	BK005	Provide curb extensions at Larose Crosswalk	Medium	Pending / Future
	BK006	Paint ladder markings at Larose Dr /Leddy Ave intersection	1st Priority	Complete

Safe Journeys to Schools Strategy Implementation
November 2019 Update

École Alexandre Taché	AT001	Change “no parking” restrictions to “no stopping”	Short	Pending / Future
	AT002	Install School Zone Gateways	Short	Complete
	AT003	Reallocate Street Space to Include Cycle Lanes	Short	Removed from Program
École Father Jan	EFJ001	Install signed and marked crossing at east end of school	1st Priority	Complete
	EFJ002	Construct curb extensions at main crosswalk	Medium	Complete
École La Mission	LM001	Post stopping restrictions on Heritage Drive and near crosswalks	1st Priority	Complete
	LM002	Paint crosswalk at Hamilton Crescent	1st Priority	Complete
	LM003	Paint crosswalk at Hardcastle Place	1st Priority	Pending / Future
	LM004	Provide ladder-style crosswalk at Heritage Drive and Holly Place	1st Priority	Complete
	LM005	Removed or relocate bush on corner of Heritage and Holly	1st Priority	Complete
	LM006	Place speed reader boards on Heritage Drive	Short	Complete
École Marie Poburan	EMP001	Increase Priority for windrow clearance	Short	Ongoing
	EMP002	Install Advance Warning Sign and Crosswalk Paving Textures at SWCA / Woodlands	Short	Pending / Future
	EMP003	Install Traffic Signal at SWCA/Woodlands when warrants are met	Medium	Pending / Future
	EMP004	Monitor Left Turn Operations at SWCA/Woodlands	Long	Ongoing
	EMP005	Implement North and Southbound Protected Only Left Turns at Boudreau and SWCA Pedestrian Crossings	Short	Pending / Future
	EMP006	Install a Special Crosswalk on Poirier Ave at Parkwood Dr	Short	Complete
	EMP007	Construct Missing Sidewalks on Sir Winston Churchill Ave and on Boudreau Rd	Medium	Pending / Future

Safe Journeys to Schools Strategy Implementation
November 2019 Update

École Secondaire Sainte Marguerite d'Youville (ESSMY)	EMY001	Provide north/south protected-only left-turns at Boudreau/SWCA	Short	Pending / Future
	EMY002	Construct Missing Sidewalks on SWCA and on Boudreau Rd	medium	Pending / Future
	EMY003	Install Advance Warning Sign and Crosswalk Paving Textures at SWCA / Woodlands	short	Pending / Future
	EMY004	Install Traffic Signal and Warning Sign at SWCA/Woodlands when warrants are met	medium	Complete
Elmer S. Gish	ESG001	Upgrade Five Crosswalks with ladder-style markings	1st Priority	Complete
	ESG002	Upgrade Crosswalk Signs at 2 locations	Short	Complete
	ESG003	Upgrade special crosswalk in front of school to TAC standard	Medium	Complete
	ESG004	Restrict eastbound left turns into east entrance of PU/DO area	Short	Pending / Future
JJ Nearing Catholic School	JJN001	Encourage Improved Behaviour With New Signs	1st Priority	Complete
	JJN002	Construct Curb Extensions at Crosswalks	Medium	Complete
	JJN003	Install Speed Reader Boards on Hogan Road	Short	Pending / Future
	JJN004	Install Stop Control and Crosswalk at Delwood and Newmarket	Short	Complete
Keenooshayo Elementary School	KES001	Review crosswalk flasher timing at sturgeon road	Short	Complete
	KES002	Provide school zone signs between the two schools	Short	Complete
	KES003	Limit on-street parking restrictions to peak bus times	1st Priority	Complete
	KES004	Change from “no parking” to “no stopping” near crosswalks	1st Priority	Complete

Safe Journeys to Schools Strategy Implementation
November 2019 Update

Leo Nickerson Elementary School	LN001	Construct a pick-up/drop-off area along Cunningham Road	Long	Removed from Program
	LN002	Repaint crossing at Pedestrian Signal with ladder-style marking	1st Priority	Removed from Program
	LN003	Trim boulevard trees on approaches to the pedestrian signal	1st Priority	Complete
	LN004	Provide sidewalk along south side of Sycamore Dr for PU/DO	Medium	Pending / Future
	LN005	Post speed reader boards along Cunningham, and enforce	Short	Complete
	LN006	Implement road diet on Cunningham Road (1 lane/direction)	Long	Removed from Program
	LN007	Install pedestrian lighting in pathway connections	Medium	Pending / Future
Lorne Akins Junior High School	LA001	Provide Mid-Block Crosswalk with curb extensions on Fairview in front of the school, and Encourage its utilization	Medium	Complete
	LA002	Provide School Crosswalk on Fairview at Fairfax	1st Priority	Complete
	LA003	Install No U-Turn Signs in front of school, and enforce	short	Complete
	LA004	Use Public Transit Bus Zone for School Bus Overflow	short	Complete
	LA005	Conduct Speed Studies on SWCA, and Continue Enforcement	short	Complete
	LA006	Provide SWCA Road Diet: two-lanes plus PU/DO lane	long	Pending / Future
Muriel Martin Elementary School	MM001	Reallocate Street Space to Provide Bus and Parent PU/DO	short	Pending / Future
	MM002	Construct Curb Extensions across Deer Ridge Drive	Medium	Complete
	MM003	Install “In-Street” School Crosswalk Sign on Deer Ridge	1st Priority	Pending / Future

Safe Journeys to Schools Strategy Implementation
November 2019 Update

Muriel Martin Elementary School (Cont.)	MM004	Install Speed Reader Boards on Deer Ridge Drive	short	Complete
	MM005	Provide No Parking signs on either side of pathway approaching Desmarais Cres, and enforce	1st Priority	Complete
	MM006	Conduct warrant for pedestrian crosswalk at Desmarais	short	Complete
	MM007	Install No Stopping signs on Deer Ridge Dr at Denney Ct	1st Priority	Complete
Neil M. Ross Catholic School	NMR001	Implement no stopping within 10 metres of crosswalks	1st Priority	Complete
	NMR002	Construct curb extensions at both crosswalks on Woodlands	Medium	Complete
	NMR003	Upgrade special crosswalks to new TAC standard	Medium	Complete
	NMR004	Install speed readerboards along Woodlands, and enforce speed limit outside of school peaks (including school buses)	Short	Complete
Richard S. Fowler Catholic Junior High School	RSF001	Provide pick-up / drop-off area on street	Long	Pending / Future
	RSF002	Provide “road diet” with bicycle lanes on SWCA	Long	Removed from Program
	RSF003	Upgrade crosswalk at Fairview Drive	Short	Complete
Robert Rundle Elementary	RR001	Prevent vehicles blocking pathway access from small City lot	Short	Complete
	RR002	Provide school area northbound warning sign on Garden	Short	Complete
	RR003	Provide curve warning on Garden Rd	Short	Complete
	RR004	Redesign small City lot to provide immediate PU/DO	Medium	Pending / Future
	RR005	Provide crosswalk at opening in fence on Garden Road	1st Priority	Complete
	RR006	Review feasibility of making Garden Road one-way	Long	Complete

Safe Journeys to Schools Strategy Implementation
November 2019 Update

Ronald Harvey Elementary School	RHE001	Install No Stopping on the east side of Langley Ave	1st Priority	Complete
	RHE002	Install No Stopping on west side of Langley south of Lester Cres	1st Priority	Complete
	RHE003	Provide monolithic sidewalk on west side of Langley Avenue	Medium	Pending / Future
	RHE004	Upgrade Special Crosswalk at Langley & Lester to TAC standard	Medium	Complete
	RHE005	Trim landscaping on SW corner of Langley and Larkspur	1st Priority	Complete
	RHE006	Install speed reader boards on Langley Avenue, follow up with targeted speed enforcement	Short	Pending / Future
Sir Alexander Mackenzie School	SAM001	Upgrade Crosswalk on Bishop Street at Bernard Drive to Zebra	1st Priority	Complete
	SAM002	Replace No Parking with No Stopping Signs and Enforce	1st Priority	Complete
Sir George Simpson Junior High School	SGS001	Move south end of school zone to south of Grandora	Short	Complete
	SGS002	Provide clear signing at the entrance of the bus bay	Short	Complete
	SGS003	Enlarge existing bus bay signage	Short	Complete
	SGS004	Extend sidewalk along the field to the north	Medium	Complete
	SGS005	Consider ending school bus only hours at 330 pm	Short	Complete
	SGS006	Consider providing a centreline along Grosvenor Dr	Short	Complete
	SGS007	Provide oversize school zone signs on Grosvenor	Short	Complete
	SGS008	Provide crosswalk across frontage road at Grandin	1st Priority	Removed from Program
	SGS009	Provide push-button instructions at Grandin crosswalk	Short	Complete
	SGS010	Trim tree on northwest corner of Grandin/Grandville	1st Priority	Complete
	SGS011	Consider piloting automated pedestrian detection at crosswalk	Medium	Pending / Future

Safe Journeys to Schools Strategy Implementation
November 2019 Update

St. Albert High (SACHS)	SAH001	Implement School Area on Malmo Avenue	short	Removed from Program
	SAH002	Encourage proper use traffic control devices (incl. 4-way stop)	short	Complete
Sturgeon Heights Elementary / Junior High School	STH001	Construct driveways with sidewalk let-downs (not curb returns)	Long	Pending / Future
	STH002	Construct a Temporary Asphalt Walkway on west side of Hogan	Short	Pending / Future
	STH003	Construct a Concrete Sidewalk along full length of Hogan	Long	Pending / Future
	STH004	Relocate Signs at South Crosswalk to improve visibility	1st Priority	Complete
	STH005	Install Crosswalk on South Leg of Dartmouth Intersection	1st Priority	Complete
	STH006	Lengthen School Zone on Northridge Drive	Short	Complete
	STH007	Install Crosswalk on North Ridge Drive west of Northstar Close	1st Priority	Complete
Vincent J. Maloney Catholic Junior High	VJM001	Provide School Area signs approaching Mont Clare Place	1st Priority	Complete
Vital Grandin Catholic School	VG001	Utilize Reservoir Access Road for Vehicle Circulation	Long	Pending / Future
	VG002	Provide Missing Sidewalk Link immediately west of school	Medium	Complete
	VG003	Flatten roadside with missing link west of school	Medium	Complete
	VG004	Realign East Crosswalk towards school entrance	Short	Complete
	VG005	Provide Curb Extensions at Crosswalk Locations on Sunset	Medium	Complete
	VG006	Limit On-Street Restrictions to Peak Bus Times	Short	Complete
	VG007	Change “No Parking” to “No Stopping” Near Crosswalks	1st Priority	Complete
